

Pole Mounts Master Price List

effective October 20, 2008

Introduction

Thank you for choosing IronRidge's PV mounting solutions. Use our sizing charts to determine the IronRidge product best suited for your installation and find the MSRP price using our price lists.

Price and specifications are subject to change without notice. However, IronRidge strives to maintain open communication with all of our customers and partners. In most cases, we will communicate via email 30 days in advance of any part number or pricing changes. Please make sure your server is setup to receive e-mails from any address at ironridge.com.

IronRidge welcomes feedback concerning the accuracy and user-friendliness of this pricing guide. Please send any suggestions to sales@ironridge.com.

Notes:

- Please specify the make, model, and number of the solar modules you are mounting when ordering. Some applications may require additional module kits beyond those supplied with the standard mount. Extra kits are \$3.00 each.
- Call IronRidge customer service at 707-459-9523 for questions on mounting solutions or quantity discounts.
- All products on this page can ship via UPS.
- While IronRidge makes every effort to keep our application and pricing data up to date, this sheet is for reference purposes only. Please contact IronRidge customer service to verify pricing and application data.

1. Measure the panel's dimension as shown in the picture below
2. If the dimension is between 5.26" and 12.60" use the UNI-SA/14
3. If the dimension is between 12.66" and 20.10" use the UNI-SA/21.5
